This matter is before the Board of Tax Appeals pursuant to a motion to compel discovery filed by counsel for the Board of Education of the South-Western City Schools (“BOE”). The BOE asks this board to order the property owner, Georgesville 270, LLC, to respond to interrogatories and to comply with its request for the production of documents.

Upon review of the motion, the memorandum in support attached thereto, and the record as a whole, the board finds that the property owner has failed to respond to the discovery requests within the time prescribed by this board's Rules of Practice and Procedure. Ohio Adm. Code 5717-1-11(A)(3). The property owner's counsel has provided no reasons why there has been no reply to the discovery requests.

It is therefore ordered that the property owner shall provide to counsel for the BOE both answers to the interrogatories and copies of the requested documents within FOURTEEN (14) days of the issuance of this order.
