Entered February 24, 2009

On January 20, 2009, appellant filed with this board a motion requesting an order compelling appellee, MVHE, Inc., to respond to discovery previously served upon it.

MVHE has failed to respond or object to either appellant's discovery requests or the present motion. Upon consideration of the motion to compel, the documents attached thereto, and the record as a whole, the board finds said motion well taken and therefore MVHE is ordered, within fourteen days of the issuance of this order, to provide to appellant information responsive to its discovery requests.
