This appeal is again considered by the Board of Tax Appeals following a motion filed on December 30, 2008 by appellant Ronald Levi asking this board to compel the Lucas County Board of Revision ("BOR") to respond to appellant's third set of interrogatories. On January 13, 2009 counsel for the county appellees submitted a copy of her responses to appellant's third set of interrogatories.

Because the county appellees have responded to Mr. Levi's discovery requests, the motion is rendered moot and is therefore denied.
