This appeal is now considered following the joint request of the parties to stay the instant proceedings. The parties ask that the instant case be placed on inactive status while they await this board's decision in *The Robbins Co. v. Levin* BTA No. 2006-V-2345 ("*Robbins I*").

Considering the representations that have been made to this board by counsel that the resolution of *Robbins I* will provide substantial guidance in determining the resolution of the present appeal, and in the interest of administrative economy, proceedings in this matter shall be stayed, indefinitely, pending the resolution of the related matter.
